

BDes DAT Exam Pattern

Syllabus

The DAT has two parts A and B, each for 30 marks. The exam is of 2 hrs duration. There will not be any negative markings.

Part A - Consists of 6 questions. These questions will check the ability of the student to perceive the hidden elements, attention to detail, analysing capabilities and overall perception of objects.

Part B - Consists of 2 questions. These questions will check the ability of the student to visualise scenes and apply it in the given context. The understanding of scale, line quality, composition quality and proportion will also be evaluated in this section.
