

## NOTE TO ALL PARENTS

Those who are facing financial difficulties due to the pandemic may avail short bank loans to continue the education of our ward. The college will provide all necessary documents to your bank in order to process the educational loan application. Many of the parents have already been taking the support of the college to avail educational loans. All those who are now facing financial problems may register with the college for obtaining the documents, the last date for remitting annual fee in such cases can be extended if proper request through bank is forwarded.

The classes will be starting on 17/08/2020 as per University direction.
